Taking Education by Storm!

FOR THE WEEK OF: April 20 - April 24, 2015

Happy Friday Families,

As usual, we remain committed, inspired and engaged at Shoreline. From our ongoing and expanding Voyageur project to the absolute highlight of our week (perhaps term) when we hosted South Africa's Women's Sevens rugby team. The energy and sense of unity in our school has been palpable. Our new family from South Africa brought us closer together as a community through laughter, dance and respect for leadership and sport. These amazing world-class athletes spoke to our school and reminded us that "if there is an obstacle in your way- *go over it or go around it but don't let it stop you.*" #wordstoliveby. Special thanks to our coach Tom Woods for his talent, commitment to our school, and love of the sport of rugby.

In other noteworthy news, I must share with you that our Vice Principal "Mr. D"- VP extraordinaire, is moving on. Jeff Duyndam has been appointed the new Vice Principal at Glanford Middle School. "Mr. D" has brought so much to the culture at Shoreline. From ABL and healthy foods to DJ'd dance parties and rock-blockers with strobe lights, Mr. D's energy and enthusiasm for fun, laughter and playfulness will be missed. We wish Jeff continued success on his path. Thank you for everything you have contributed to Shoreline, Jeff. Your future is bright!

While goodbyes are difficult, change is healthy and helps us grow. In keeping with those sentiments, I am delighted to welcome Michelle Troughton to the role of Vice Principal at Shoreline. Michelle has been at Shoreline for one year now as one of our teachers with a specialty in working with students who have special needs. Michelle brings a wealth of knowledge and experience to our team at Shoreline. We are very fortunate to have her "at the helm" and I am grateful for her skill set and support.

Thank you to our Shoreline PAC for their hard work and vision in coordinating and executing our second annual Shoreline Survivor event. It was a blast! Shoreline PAC is always accepting new members. We need you as family members and are very grateful for your partnership in supporting our kids.

Take care,

Nadine
Principal
