

e - STORM Bulletin

Taking Education by Storm!

FOR THE WEEK OF: April 27 - May 1, 2015

Dear Parents/Guardians:

Another very busy week for Shoreline students, staff and families; as you are aware, we hosted South Africa's National women's rugby 7s team and the experience was truly world class! A one minute video of their visit can be found by visiting our website or by following this link: <https://videos.sd61.bc.ca/shoreline/>. Wednesday we hosted all of our District's international students from Mexico. Their cultural presentations were spectacular!

In addition to all the learning activities taking place in classrooms, there are many opportunities for students to be involved with school life. Our field has just been lined for track season and students are encouraged to listen carefully to morning announcements and to check out the athletics board for all upcoming events.

As we continue to do our part for the environment, Shoreline works hard to Reduce/Reuse and Recycle. Students use recycle bins to separate the recyclable materials and we compost all food scraps and organic material such as paper towels and cups. Thank you for supporting this initiative by sending lunches in reusable containers and minimizing the amount of wrapping included in lunches. Together we do make a difference!

Lastly, I just wanted to thank everyone for their well wishes as I transition to Glanford Middle School next year. Your emails, phone calls and personal conversations have been heart felt and only solidified the fact that this is an absolutely wonderful community to be a part of. I have absolutely loved working with the students, staff and parents of this amazing school for that last 3 years.

If you have any questions or concerns, or wish to report changes in contact information, please call the office at 250-386-8367.

Jeff Duyndam
Vice Principal
