## Taking Education by Storm!

FOR THE WEEK OF: June 1 - 5, 2015

Hello Shoreline families,

Next week marks the beginning of the race to the finish. June is always one of the busiest months of the year. Thank you for communicating with your child and your child's advisory teacher in whatever manner works best for you and the teacher: phone, email, Jupiter grades, face to face or text.

Last weekend we celebrated the finale to our school musical Legally Blonde Jr. Spectrum Community School theatre hosted Shoreline performers and families from Wednesday evening through Saturday to packed houses each show. Special thank you to you, our families for your support. We are so grateful to Mme O'Reilly for her passion and commitment through directing and choreography as well as to Ms. Fallen, Mrs. Walker, Ms. Christy, Ms. Bradley and Mrs. Lohr as these women contributed countless hours to everything from vocal supports and costume design to prop and set design. Bravo!

Next Wednesday **June 3<sup>rd</sup>** beginning at 6:00 pm is our inaugural Evening of Music and Art at **The Songhees Wellness Centre**. We hope you can join us for an evening of choir, band and strings performed by our students. In addition, you will be able to participate in a silent auction to purchase Shoreline student art. These beautiful and unique pieces of art are professionally matted and begin at the very reasonable price of \$10.00. Our students have worked very hard and are excited to be showcased in this manner. The music begins at 7:00 pm but the Silent Auction opens at 6:00 pm. We look forward to sharing the evening with you.

**Curriculum Completion Day is June 5<sup>th</sup>** at Shoreline. This is an opportunity for students to complete outstanding projects and work. Forms should have come home to you already and if not- please contact your child's Advisory teacher. Students who are up to date will be dismissed next Friday at 10:30 am to enjoy an extended weekend.

Our **Big Canoe Program** (formerly known as The Voyageur) is coming together nicely. Parent permission forms for grade 8 students are coming in (thank you!) and students and staff are deeply engaged in hands on learning experiences in preparing for the trip June 16-18 at Newcastle Island. Through educational provincial grant funding and the generosity of the **Victoria Canoe and Kayak Association** we have acquired four big canoes for Shoreline. We are thrilled about these acquisitions, as they will support sustainable implementation of our paddling program. We are also grateful to our PAC who has been supportive of this initiative by funding everything from toques to PDF's and paddles. We are getting a lot of attention in various local avenues for this innovative work that honors student learning outdoors and embedded in real- life experiences.

Thank you for your continued support and commitment in partnership with us. It takes community to raise our kids and we value your input and insights.

Warm regards,

Nadine Naughton  
Principal
