Shoreline Middle School

Presented by Mr. Thurbide's Grade Six Class

Mr. Thurbide's Grade 6 Class has been busy working on the Power Play Young Entrepreneurs Program. The students have drawn up business plans, completed market research surveys, and designed some beautiful products to make and sell. Students have also chosen their own charities to contribute 10% of their proceeds to. It has been a fun and very practical learning experience. The sale of these fine products will take place on Friday, June 19th during our lunch break (12:11 - 12:51) in the cafeteria. Please consider bringing a couple of toonies to school on that Friday to pick up a gift or two for a friend, a sibling, or perhaps a parent (Father's Day is only two days later). Thank you for your support in this learning opportunity!
