Taking Education by Storm!

FOR THE WEEK OF: June 8 - 12, 2015

Dear Parents/Guardians,

Another busy week at Shoreline! With only three weeks of school remaining, we have much to accomplish and much to celebrate! Our track & field athletes competed at the University of Victoria on Wednesday in the City Finals and performed at an incredibly high level. Congratulations to all athletes for their outstanding commitment to training and thank you to all staff who supported this very important opportunity for our students.

Our final music concert and art auction of the year was Wednesday evening at the beautiful Songhees Wellness Centre. What an amazing evening! Our music students showcased their learning with pride and passion for their work. Sounded so good! In addition to music, all of our students were able to showcase their art in what looked like a professional art auction. Student art was matted and framed beautifully as a few hundred people gallery walked and bid on their favourite pieces. A big thank you to our friends at the Songhees Wellness Centre and our dedicated staff for making this inaugural event such a huge success!

As the year winds down, we appreciate your continued support in ensuring that your children attend school regularly, are making healthy choices 😊 and come to school prepared for learning, special outings and presentations. Your effort to maintain good communication between home and school and to support your child's learning makes a huge difference to their success at school. It is a pleasure to work in such a supportive community. I am looking forward to a very busy, exciting and productive month ahead.

If you have any questions or concerns regarding your child's progress or program, please contact your child's Advisory teacher.

Your child's safety and well-being continue to be our priority. Thank you for your continued support.

The new trail provides:

- A safer route for students to Shoreline Community Middle School;
- A jogging circuit for the school's physical education program;
- A scenic, direct public access to and from E&N Rail Trail / Portage Park and Shoreline Drive; and
- A convenient portage route between the Gorge and Esquimalt harbours.

The celebration will include speeches, cake, and a walk to tour the nearly completed CRD Craigflower Pump station.
