SHORELINE

SCHOOL NEWSLETTER FOR OCTOBER 16 - 30, 2015

THANK YOU to Colliers International whose volunteers arrived at our school today, October 16th, to volunteer in our Breakfast Club and our ABL program. We are grateful for their support of our school programs! Colliers and Russell Food Equipment have partnered to donate funds, glasses, cutlery and bowls to Shoreline.

Thank you for partnering with us to sustain healthy school programs! We are GRATEFUL!

Parent-Teacher Conferences
Monday, October 19th - 2:00 to 5:00, and
Tuesday, October 20th - 5:00 to 7:00

Dear parents/guardians:

We are holding parent-teacher conferences on Monday, Oct. 19 and Tuesday, Oct. 20th. We will be dismissing students early on Monday at 12:11 pm.

The purpose of these conferences is to provide you with an opportunity to meet with your child's advisory teacher and share aspects of your child as a learner, their needs, learning style and interests. We believe this is a valuable opportunity to establish the relationship between the school and your family, and a chance for us to learn more about our students!

As we have very limited time over the two days to meet with parents, individual conferences will be 15 minutes in length, and we will be adhering to a very tight schedule.

Looking forward to seeing you!

An **Ideation Jam** is an idea factory. It's a fun, fast, creative brainstorming session intended to surface a range of diverse ideas that address an issue. They are high-energy and short-duration and tap into the creativity of a multi-stakeholder participant group, in a positively focused mode. The focus of this **Ideation Jam** is everyday practices that enhance and support the integration of social emotional well-being into school communities.

AS A PARTICIPANT YOU WILL:

- be working with others on developing concrete ideas which could become real
- learn more about one of the newest approaches to collaborative learning
- pick up new and current ideas and practices on integrating social and emotional wellbeing into the school community
- meet a lot of cool people from diverse backgrounds
- certainly have a blast!

The Greater Victoria School District is hosting the Ideation Jam as a participating district in the WellAhead Initiative. WellAhead is a philanthropic initiative of the J.W. McConnell Family Foundation that will guide six BC school districts through a community-led process. This process will bring multiple stakeholders together to identify ways to enhance and support the integration of social and emotional wellbeing into school communities. Student Messages:

If you find yourself needing to pass a message along to your child, we recommend you do the following...

Call during break times in the day: nutrition break (9:57am – 10:17 am), **lunch break** (12:11 pm – 12:56), **just before the final bell** (2:50 pm).

If you follow the above recommendation, this will ensure your student will receive the message. Thank you!
