SHORELINE

SCHOOL NEWSLETTER FOR OCT 30 – NOV 12, 2015

DRUM MAKING WORKSHOP

We are so honoured to have Sandy Junior and Sandy Senior spend 2 days here at Shoreline with our students. They visited each of our classes to share Aboriginal culture and to teach students about drum making. We will be having a Gifting Ceremony on December 16th in which the drums will be blessed and gifted to students and staff for future use.

Thank you to Jordan Morris for sharing his Father and Grandfather with our Shoreline Family!

Farewell & Welcome Staff

We had to say goodbye to our Office Assistant Jo Osborne. We were so fortunate to have her in the office for the past 5 months. Jo is a retired secretary who helps out many schools in the district when needed. Thank you Jo for all your help!

We would like to introduce you to Cheryl Risvold. Cheryl is our new Office Assistant. She will be responsible for our student attendance among other things. Please stop by and welcome Cheryl the next time you're in.

Welcome also to Jim Petruzzelli, our daytime custodian. Jim has been in the district many years. We are very happy to have him as part of our Shoreline family.

Remembrance Day

Shoreline will be hosting a Remembrance Day Ceremony here in the gym on Tuesday, November 10th @ 11:00 am.

Families are welcome to attend.

We will be hosting honored guests from our Military and members from our

Songhees and Esquimalt First Nations.

We hope you can join us for this special ceremony.

Please arrive by 10:45 am.

HALLOWEEN SAFETY

Excited youngsters are ready to take to the streets on Saturday for a night of trick or treating. As part of keeping them safe on Halloween, here are a few tips:

Costumes

Costumes should be bright and light, and for added safety, reflective markers should be added to costumes.

Consider using face paint instead of a mask – masks can make it harder for children to see and hear. Also keep an eye out on the length of the costume to avoid tripping and wear runners or other good footwear.

Trick or Treating

When out trick or treating, always look both ways before crossing the street, only cross at corners or crosswalks and never between parked cars or in the middle of the block, and listen for traffic.

If there aren't any sidewalks, walk facing traffic and as far off the road as possible. Trick or treat in groups or with other family members. Adults or older teens should always accompany young children. Carry a flashlight or glow stick and plan a route through the neighborhood beforehand. Never enter a stranger's house even if you're invited. Never eat any treats until they can be examined back at home for tampering. Also, only eat factory-wrapped treats and not any homemade treats.

Drivers

Drivers should slow down to at least 10 km/h below the speed limit on Halloween night and avoid taking shortcuts through neighborhoods.

Stay alert for trick or treaters and don't pass stopped vehicles – the driver may be dropping off or picking up children.

An **Ideation Jam** is an idea factory. It's a fun, fast, creative brainstorming session intended to surface a range of diverse ideas that address an issue. They are high-energy and short-duration and tap into the creativity of a multi-stakeholder participant group, in a positively focused mode. The focus of this **Ideation Jam** is everyday practices that enhance and support the integration of social emotional well-being into school communities.

AS A PARTICIPANT YOU WILL:

- be working with others on developing concrete ideas which could become real
- learn more about one of the newest approaches to collaborative learning
- pick up new and current ideas and practices on integrating social and emotional wellbeing into the school community
- meet a lot of cool people from diverse backgrounds
- certainly have a blast!

The Greater Victoria School District is hosting the Ideation Jam as a participating district in the WellAhead Initiative. WellAhead is a philanthropic initiative of the J.W. McConnell Family Foundation that will guide six BC school districts through a community-led process. This process will bring multiple stakeholders together to identify ways to enhance and support the integration of social and emotional wellbeing into school communities. ATTENDANCE:

Knowing where our children are during school hours is the key to their safety.

Parents, please remember to report all student lates and absences to our attendance line at 250-386-8213. You can also email Cheryl Risvold. crisvold@sd61.bc.ca

If you could also remind your children that when they arrive late to school, they must come first to the office and sign in.

Thank you so much for your partnership!
