MORE INFORMATION ON THE WINTER CONCERT:

If possible, please support all Shoreline Music students and wait until the end of the concert before heading home.

Performing is a fun and very important part of musicianship. Because students depend on one another when performing, student attendance is mandatory. If for any reason your child is unable to attend, please email Mr. Leeson or send a signed note to school with your child stating so as soon as possible. I ask you to please consider this concert a priority over regular weekly practices, rehearsals, lessons, etc.

In addition to the music, there will also be a 50/50 draw, a draw for VIP seating and opportunities to support Shoreline Music through concession items. The Special Education program will be raising funds through a silent auction. Shoreline's Book Fair will also be running simultaneously in the library.

Parent help is needed for selling 50/50 tickets and selling concession items. If you would be willing to help, please email Lynn Spyker (parent organizer) at lynnspyker@yahoo.ca

Don't hesitate to contact me with any concerns or questions. Looking forward to a great concert!

THANK YOU ESQUIMALT FIRE FIGHTERS!

Shoreline has received a very generous donation towards our Rugby program. We want to say a huge thank you to the Esquimalt Fire Fighters for your amazing support!

Drum Awakening Ceremony Invitation!

Dear friends,

We would be honored if you would attend our drum blessing ceremony at 1:00 pm December 16th in our gym at Shoreline.

Shoreline has not had our own set of drums but with the support and knowledge of two elders, Sandy Morris Sr. and Sandy Morris Jr. we now have thirteen.

We will awaken and bless these drums with the support of spiritual leaders May and Skip Dick and music and drumming by Auggie Thomas. Your presence would make our ceremony even more special.

We hope to see you at Shoreline at 1:00 pm Dec. 16th.

**Warm regards,
Nadine Naughton
Principal**

From the Health Desk
Head Lice Alert:

We have had three classrooms with confirmed cases of head lice. Please read the following information from our Public Health Nurse.

Reminder about head lice:

Talk to the pharmacist about products for head lice. If you use an insecticidal product, use it exactly as recommended.

It has been documented that some head lice are resistance to the insecticidal products. There is a method to get rid of head lice without using the chemicals. See you tube video.

Dear Parent(s) and/or Guardian(s):

This year, every school district in British Columbia will be starting the process of transitioning to the new Provincial Curriculum Framework. To support the transition, the Ministry of Education will be providing time for educators to become familiar with the new curriculum.

During the 2015-16 school year, two non-instructional days will be designated for educators to work directly with the new curriculum.

**THE TWO ADDITIONAL NON-
INSTRUCTIONAL DAYS FOR THE GREATER
