Dear Parents/Guardians,

Today your child will bring home their first report card of the 2015-2016 school year.

Please take time to sit with your child and reflect on his or her learning this fall. Focus your feedback on your child's effort versus their grades.

We know that when we celebrate our children for their efforts, we help to build a "growth mindset" (my effort makes a difference to my success) versus a "fixed mindset" (my intelligence is fixed and there is nothing I can do about it).

If you are interested in learning more about how a growth mindset contributes to success, please see the following link by Dr. Carol Dweck.

Dear Parent(s) and/or Guardian(s):

This year, every school district in British Columbia will be starting the process of transitioning to the new Provincial Curriculum Framework. To support the transition, the Ministry of Education will be providing time for educators to become familiar with the new curriculum.

During the 2015-16 school year, two non-instructional days will be designated for educators to work directly with the new curriculum.
