**Dear Shoreline Grade Eight Families,**

**It's time to start thinking about High School! Please read the following information carefully.**

**As you may know, Shoreline Middle School belongs to the Esquimalt Family of Schools. Our Grade eight children automatically transfer to Esquimalt High School.**

**If you would like to send your child to a school other than Esquimalt High, you must apply for transfer during the K - 12 Student Transfer Process taking place between Feb. 11 and Feb. 19, 2016. The transfer forms will be available at all schools starting Feb. 11. They will also be posted on the District website [www.sd61.bc.ca](http://www.sd61.bc.ca).**

**The following steps are necessary to transfer to another school:**

- o Completion of the K-12 Student Transfer Application form, including date and signature.**
- o Parents mail or deliver the completed K-12 Student Transfer Application form to the School Board Office by Friday, February 19, 2016.**
- o Transfer applications are reviewed with school space in mind, and families receive an approval or denial letter by the end of March 2016. When transfers have been approved, students will be considered members of the new Family of Schools.**

**After February 19, 2016, elementary and middle school students wishing to attend a school other than their designated pathway school are asked to go to the school they wish to attend to have their name placed on a wait list.**

**Sincerely,**

**Nadine Naughton  
Principal**

**Michelle Troughton  
Vice Principal**

The University of Victoria presents a compelling  
line-up of free, youth-friendly events at  
IdeaFest 2016  
March 7-12 2016

**IDEAS THAT CAN CHANGE EVERYTHING**

**IdeaFest is the University of Victoria's campus-wide research festival, celebrating the ideas of faculty, students and staff from across the University. The program of events changes every year but stands as an open invitation for the public to explore ideas with some of the brightest minds at the University.**

**Last year's festival attracted over 4,500 audience members and showcased the outstanding work of over 50 of UVic's faculties, departments, schools, centres and labs.**

**More information is available on the UVic website.**

## SKIS 2016!"

It's that time of year again folks.....

We are proud to announce our famous School Wide Ski Trip where we will be offering skiing, snowboarding and tubing for our students to enjoy up on Mt. Washington. Set the date, **Thursday, March 10th** for a day of fun and adventure. This one day trip will start with an early departure from the school and students will return to the school around 7:30 pm. Your student should have brought home the information letter and the required registration forms needed to participate on this trip. There are different options available for the students. If your student is interested in attending, please help to make sure the registration forms are completely filled out and returned promptly with payment by Monday, February 15th.

In years past, we have filled 4 large 56 passenger buses with eager students ready to have fun. We are hoping for the same enthusiasm again this year.

Please contact your student's Advisory Teacher if you have any questions. Also, if you'd like to help, we are offering a unique opportunity for families, community members or business owners to "sponsor a skier/boarder/tuber". If this sounds interesting to you, please contact our Principal, Nadine Naughton by calling the school or through email at; [nnaughton@sd61.bc.ca](mailto:nnaughton@sd61.bc.ca). Thank you in advance for any support you might be able to provide!

See you on the hill!
