Dear Shoreline Families,

We have just learned of the Ministry of Education's decision not to proceed with seismic upgrades at Shoreline Middle School. As a result we will NOT be relocating to Richmond school for the 2016-2017 school year.

The Ministry's decision not to proceed with a seismic upgrade is due to our school's small enrollment. This decision came as a surprise to all of us as we have been fully engaged in planning for this move.

We are committed to getting Shoreline seismically upgraded; our school administrative team in collaboration with District leadership will work together to move seismic plans forward. We will maintain communication with our community members as that process unfolds.

We would like to acknowledge and thank you, as a community, for your engagement in various collaborative processes the past eight months in preparation. We are working alongside our senior leaders in the district to identify options for our school and community.

We know this unexpected change will generate questions and concerns. We will continue to communicate through email and our school website as new information comes in.

You can always reach us via email at [nnaughton@sd61.bc.ca](mailto:nnaughton@sd61.bc.ca) or [mtroughton@sd61.bc.ca](mailto:mtroughton@sd61.bc.ca) or by phone at **250 386 8367**.

Thank you for your continued support,

Nadine Naughton  
Principal

Dear Parents/Guardians,

Re: **Curriculum Completion Day: #3 – Friday, June 3<sup>rd</sup> @ 10:35 - 2:50 pm**

Each middle school in our school district will be holding 1.4 Curriculum Completion Days again this school year. These days are intended to provide an opportunity for students to catch up on incomplete work. This is to be a positive opportunity for students to complete work in a supportive environment and is not to be punitive in nature.

Our third Curriculum Completion afternoon is scheduled for the day of **Friday, June 3<sup>rd</sup>**. For students who have incomplete work, this is an opportunity for them to complete assignments prior to the second report card. Students who are up-to-date with all school work will not be required to attend school after dismissal; however, parents may choose to have their child attend regardless of the status of their work.

Please complete the parent section below and have your child return the tear-off sheet to his/her Advisory Teacher. This will allow us to keep an accurate record of attendance.

Sincerely,

Nadine Naughton  
Principal

Vice-Principal
