Re: Grade 8 Transition Afternoon – May 14

Dear Parents/Guardians of Grade 8 Students:

Thursday, May 14 is our District Transition Afternoon. All current Grade 8 students will visit their future high school for an orientation assembly and guided tour. During the visit, students will attend presentations, explore the school, and learn more about its programs and opportunities.

Grade 8 students will be dismissed early at 11:40 a.m. to allow time to travel to their 2026–27 high school. All students are expected to attend the afternoon session at their intended school, with most schools requesting arrival by 12:45 p.m. (Further details will be shared by secondary schools via email.) At the end of the visit, students will be dismissed directly from the high school at approximately 2:45 p.m. and are not expected to return to Shoreline.

Students are responsible for arranging their own transportation to and from their high school. Please take a moment to review your child's travel plans with them (e.g., parent pick-up, bus, walking, etc.).

We hope students enjoy this exciting opportunity to become familiar with their new school community.

Kind Regards,

Alissa Moore
