

Student Led Conferences Tuesday, April 21st – 4pm to 6pm

Dear Shoreline Families and Guardians,

On Tuesday, April 21st, all students, and parents will have the opportunity to participate in Student Led Conferences. We use this reporting format because we believe that student involvement makes their learning active, provides opportunities for them to self-reflect and evaluate their performance, and encourages them to share their learning.

Students will conduct the conference detailing the skills and processes they have learned and sharing the goals they have set to further improve their learning. As part of this process, students will highlight examples of their work.

We feel this is an important experience for all students and hope that you will be able to participate with your child. **Students and families are welcome to visit their classrooms** on Tuesday, April 21st to support the conferences. Classrooms will be open for Conferences from 4:00 to 6:00 p.m.

Please reach out if you have any questions.

Sincerely,

Alissa Moore she/her

Principal
